

# Community Conversation NORFOLK

Come  
and join the  
conversation  
on the City of  
Norfolk's 2014  
budget.

As a cornerstone of Norfolk being a well-managed government, it is important that the development of the city's FY 2014 budget have meaningful public input. Come help build a budget that will enhance economic vitality, workforce development and lifelong learning priorities -- priorities working towards a diversified economy.
